Instructions to Authors

Aim and Scope

The *Iranian Cardiovascular Research Journal* aims to publish the highest quality

Supplementary data

Supporting material that is not essential for inclusion in the full text of the manuscript, but would nevertheless benefit the reader, can be made available by the publisher as online-

Instructions to Authors

It is a condition of publication that a statement declaring any conflict of interest is included in the manuscript on first submission. Failure to insert a statement for all authors will delay the review process.
